Read Statement

1. The datasheets and other product information on the site are all from network reference or other public materials, and the copyright belongs to the original author and original published source. If readers and copyright owners have any objections, please contact us and we will deal with it in a timely manner.
2. The Chinese datasheets provided on the website is a Chinese translation of the English datasheets. Its purpose is for reader's learning exchange only and do not involve commercial purposes. The translation cannot be automatically updated with the original manuscript, and there may also be improper translations. Readers are advised to use the English manuscript as a reference for more accurate information.
3. All product information provided on the website refer to solutions from manufacturers' technical support or users the contents may have differences in description, and readers are advised to take the original article as the standard.
4. If you have any questions, please contact us at marketing@iczoom.com and mark the subject with "Datasheets" .

ET3542-058

Description:

Common-mode coils are useful in a wide range of applications for the prevention of electromagnetic interference (EMI) and radio frequency interference (RFI) from power supply lines and for prevention of malfunctioning of various electronic equipments. Features include low leakage flux, high self-resonant frequency, high impedance at applicable frequency and low stray capacitance in section winding. Designed to meet UL, CSA and IEC standards.

Electrical Specifications (@20°C):

Min. Inductance* (mH)	Inductance Difference (μH) Max	Max. DC (Ω) Resistance	Amps RMS
4.70	150	.080	4.00

*inductance per winding.

Specifications:

Rated Voltage = 250VAC

Temperature Rise = 45°C Max

Insulation Resistance = 100M Ω Min

Operating Temperature Range = -20 to 105°C

Dielectric Withstanding Voltage = 2,000 VAC

Dimensions:

W	L	H	A	B
1.496	1.024	1.772	.827	.591

Units in inches.

Weight: 2.60 oz.

Schematic:

RoHS Compliance: As of manufacturing date February 2005, all standard products meet the requirements of 2011/65/EU, known as the RoHS initiative.
